Basic movements will be taught*

Carolina Shag is a six count dance thought to have developed in the 1930's or 40's. It is the “state dance” of North & South Carolina with roots that can be traced back to the influences of the jitterbug, swing, lindy hop & other partner dances.

About our instructors. . .

Bill & Barbara Turcotte have enjoyed shag dancing for over 30 years & danced competitively in the 1980's. They are members of the Eastern North Carolina & Atlantic Beach Shag Club.
